Give your career a huge advantage!

JEC Higher Career Course

This course aims at not only improving general conversational English but also helps you find a better job by studying Business English. You can effectively improve your English in a quarter of the time with the Callan Method and learn the English used in the business field with the Business English course. As well as this, you can achieve a higher mark in the TOEIC Exam with our Intensive TOEIC Course.

Features of this course

1. Enhance your speaking and listening skills.
2. Learn business related vocabulary, such as negotiation, business communication, and telephone conversation.
3. Improve your reading skills with the TOEIC Intensive course.

You can take the official TOEIC test as many times as you want during this course!

- If you enroll the course for either 12 weeks or 17 weeks, **you can take the TOEIC test free of charge.**
- Practice TOEIC tests are also available during the time you are taking this course, so you can aim for a higher mark on the TOEIC test!

**Do you know?
"TOEIC trivia"**

There is a significant positive correlation between the number of TOEIC tests you have taken and the results of your test score; the more you take the test, the higher your TOEIC score is. Accordingly, it is important to take the test many times to get used to it, and so get a higher score!
